DAY 3 - TUESDAY, JULY 4: THESSALONIKI – PHILIPPI AND KAVALA

This morning after our **panoramic tour of Thessaloniki** we depart for **Philippi**. Here, we sit by the **Zygakti River** and tell the story of **St. Paul baptizing Lydia and her friends**. We then visit the **Baptistry of Lydia**. Lydia was the **first convert of Paul on European soil**, followed by the Philippian jailer. We also visit the **ruins of the Forum of Philippi**, the **Christian Basilicas**, the "Prison of Paul" and the **Theater**. We view the **Byzantine Castle** and the **Roman Aqueduct** before returning to Thessaloniki for dinner and overnight. (B, D)

DAY 4 - WEDNESDAY, JULY 5: THESSALONIKI/ VEREA/ METEORA/ DELPHI

Today, we leave Thessaloniki and drive to **Verea** (biblical Berea of Paul's day), the so called "**Little Jerusalem**" of northern Greece. We travel south to **Meteora**, where we see the **world-famous Byzantine monasteries** that are perched on summits of gray rock peaks of varied and beautiful shapes. Their history goes back to the 14th century when the monks sought refuge in the cliff-side caves, then fled higher to build the original wooden shelters, which were later transformed into monasteries. Afterwards, we continue to **Delphi** where we will have dinner and overnight. (B, D)

DAY 5 - THURSDAY, JULY 6: DELPHI/ ATHENS

After breakfast, we visit **Delphi**, a mountainous city which today is both an archaeological site and a modern town. For the ancient Greeks, Delphi was labeled the "**omphalos**" (navel) of the earth, and it is here that the **eternal flame burned** in the **Temple of Apollo**. Delphi was the site of the **Delphic oracle**, the most important oracle in the classical Greek world. It was also here beginning in 586 B.C. that athletes from all over the Greek world competed

in the **Pythian Games**, one of the precursors to the modern Olympics. After our visit at the **Archeological Museum of Delphi**, we make our way to Athens. During our drive, we will have time to stop and enjoy the **small scenic villages** that cling to the mountainsides. We arrive in Athens and check-in to our hotel. Our **shore excursion** includes a visit to the **ancient Minion Palace of Knossos**. During our excursion, we take a short ride through the **town of Heraklion** and then arrive at the **Knossos excavations**. Here, Sir Arthur Evan's archaeological discoveries revealed a civilization dating back to 4000 B.C., when a great empire flourished on the island of Crete.
